Escape to the Country...!!
We've all watched the program and wished we were there, well now's your chance!
How about owning your very own piece of Country Farmhouse Paradise!
With views like these you'd never want to leave home again.

Built in the late 1700's this original Farmhouse has been lovingly cared for, restored and tastefully renovated over it's lifetime, to the 'Simply Stunning' family home we see here today.....

Located in Houghton-le-Side, this truly is a one of a kind property and location, with panoramic 180 degree views out towards North Yorkshire as far as the eye can see!
Despite it's Rural location, Southfield Farm is 5 minutes from the A1(M), 10 minutes from the new Bishop Auckland retail park and 8 miles from the Darlington Train station and the main North South Line with London

The heart of any home as we all know is the Kitchen and this one is exceptional, complete of course with the iconic Aga' cooker... Oozing with character and charm, this Farmhouse consists of 4 reception rooms, 4 bedrooms, 3 bathrooms, a downstairs toilet and also a further reception room/large office area on the ground floor leading to Laundry. Furthermore to the first floor, there is a large walk through dressing room leading to the master suite which could be re-configured to be a 5th bedroom if required.
Power Bills could be a thing of the past! Solar power heats water and PV generates electricity with generous Feed in Tariff!

Winding down the beautiful tree lined driveway, which opens out to the private courtyard parking area, you will find the "Gin Gang"
***(A gin gang, wheelhouse, roundhouse or horse-engine house) A building which was once ran by Horse power now housing Horse power of a more mechanical nature!
