SITUATION/LOCATION

Orton Works lies adjacent to Hill Close approximately 100m north of Reeth Market Place forming part of a residential street. Reeth is a popular and affluent North Yorkshire village within the parish of Reeth, Fremington and Healaugh, in upper Swaledale. In the heart of the Yorkshire Dales National Park, the village of Reeth has amenities that include a number of public houses, local shops and a range of guesthouses and holiday accommodation. Reeth lies approximately 11 miles west of Richmond, 14 miles south of Barnard Castle and 26 miles west of Northallerton. The Village is connected to main transport links via the B6279 and access to the A66 and A1(M) is available within a short driving distance.

DESCRIPTION

The site comprises a former commercial joinery and builders yard extending to approximately 0.22 Acres.

There are two detached stores in semi-derelict condition for demolition. The stores were not accessible at the time of the Agent's inspection. An asbestos report has been completed and is available for inspection.

The site is bound by Hill Close and its dwellings from the west, and a retaining stone wall to open countryside from the east.

The principal access is via Hill Close. There is ancillary access from the south however this will become redundant through the development.

The site is predominantly concrete surfaced and there are footings from a former commercial store. An intrusive site investigation report has been undertaken and is available for inspection via request from the Agent.

PLANNING PERMISSION

The site was granted planning permission in September 2023 for the demolition of redundant buildings and development of 3 x local occupancy dwellings.

All associated documentation is available to view via the Planning Portal provided by the Yorkshire Dales National Park Authority (Public Access)
