Grade A Offices To Let In Central Darlington

LOCATION

Clock Tower Studios is located in Darlington Town Centre close to the recently transformed Market Square and nearby historic Yards. Following the recent £25m investment from the “Towns Fund” this area is a thriving business district for a diverse range of occupiers including independent retailers, bars, restaurants and cafes.

The property is also conveniently located just minutes’ walk from Darlington train station (which is the subject of a £140m refurbishment), providing regional and national rail transport with 2 hours 20 min travel time to London and 2 hours travel time to Edinburgh. Darlington Town Centre is easily accessible via car, neighbouring the A176 providing close access to the A1 and A66, key arterial routes to the North and South of the UK.

The HM Treasury have committed to a development of the Darlington Economic Campus (presently located at Feethams House) and will move to a larger location on Brunswick Street within 3 mins walk of the Property. This move will create at least 1,200 roles when the Campus has been developed. It is anticipated that this development will accelerate further the growing network of businesses in Darlington making the Town Centre, with its excellent transport links, an attractive location for new and existing businesses.
